

City of Forney

Certificate of Recognition

For his Heroism and Outstanding Service to Others

Captain Jason O'Neill Cedar Hill Firefighter

The City Council on behalf of the City of Forney would like to recognize Captain Jason O'Neill for his heroism in saving the life of a young man that was severely injured in a one car accident. O'Neill was close to his home, which is just north of Forney, when he saw the accident. Upon arriving at the scene O'Neill went into action and was able to stop the driver's bleeding and alert local colleagues of the circumstances and the need for an air ambulance. O'Neill insists he was just doing his job. "I saw there was somebody in need and I have a duty to act."

Dated this 1st day of May, 2018.
