Inspection Report

Item Summary:

On April 11, 2018, the Building Official inspected the property located at 402 Buffalo Street. The inspection found that structure located at the address is unsafe and represents a threat to public health, safety, and welfare. The foundation and overall structure are in poor condition.

Chapter 3 of the City of Forney Code of Ordinances states that the minimum standards for continued use and occupancy of all buildings shall be those standards established by the International Building Code. The existence of a public nuisance is a violation that must be remedied by structure repair or removal.

The Building Standards Commission is meeting in accordance with Article 3.03 of the City of Forney Code of Ordinances. If, after the public hearing, a building, structure, or premises is found in violation of the standards set forth in the Code, the Commission may order that the building, structure, or premises be vacated, secured, repaired, removed, or demolished by the owner within a reasonable time determined by the Commission.
