Re: Pay Estimate No. 1 Final
Aimee Street 4" Services Proposed Improvements
City of Forney, Texas

Dear Ms. McQuiston:

Freeman-Millican, Inc. has reviewed the quantities of work and amounts included on the attached contractor's application of payment for the above mentioned project. Pay Application No. 1, in the amount of \$67,071.00, will be the only pay application for this project.

The project has been completed and the pay estimate with change order has been attached to this letter. The project quantities have been reviewed with Steve Kennemer. The two additions of the change order were related to the unforeseen repair of the sewer main. Cutting of concrete flume was deemed unnecessary and was removed from the contract. A service pipe at the site was inactive, and work for that pipe was removed from the contract.

We recommend payment of \$67,071.00 to Atkins Brothers. The project is completed within the allotted time and budget.

Sincerely,

FREEMAN - MILLICAN, INC.

Gustave Michaud, P.E.
